Translating Alien Swarm: Reactive Drop:

We've added all languages to the game's properties window. You can now select game's language using Properties window. However, as with other Source Engine games, this only affects audio and subtitles. Game's interface uses the same language as Steam's interface is in.

If you would like to help to translate Alien Swarm: Reactive Drop please follow this [link](https://bitbucket.org)[bitbucket.org]. All instructions are provided there.. **Alien Swarm: Reactive Drop Update - March 23, 2018:**

This update brings bug fixes and a new VScript function for use in add-ons.

Changelog. Alien Swarm: Reactive Drop Update - November 10, 2018:

An update to Alien Swarm: Reactive Drop has been released. The update will be applied automatically when you restart Steam. The major changes include:

- Added Vietnamese translation for game UI by [Nguyễn Tuấn Long](#)

-
- Added ability for each map to have its own background image for the loading screen.
 - Fixed white screen crash
 - Added new ConVars, VScript function, bug fixes

Changelog. Alien Swarm: Reactive Drop Source Code is Now Available!:

We are happy to announce that today we are releasing the source code for Alien Swarm: Reactive Drop!

Having access to the source code you can:

- Add new weapons, NPCs, fix bugs and generally add new features to the game and submit them as pull requests
- Create mods. Both server side and client side mods. Or fully standalone mods

[Download it from Bitbucket](https://bitbucket.org)[bitbucket.org]. **Alien Swarm: Reactive Drop Update - May 19, 2019:**

An update for Alien Swarm: Reactive Drop has been released. The update will be applied automatically when you restart Steam. The major changes include:

- Added Bonus Mission 7, which is the original undivided Area9800 Power Plant mission(thanks to [jhheight](#))
- Cheat cvars and commands will no longer work in single player mode
- Grenade Launcher's grenade will now correctly collide with doors
- Player's status in Steam Friends window will now be shown correctly if player is playing on a dedicated server which has lobbies disabled
- Dedicated servers will not(by default) check for workshop updates on mission restart(this can be controlled by a cvar)

-
- Improved pathing in Sewer Junction. Aliens couldn't follow marines in a few places, hordes failed spawn because of this too.
